Description

Sailing a TP52 in the Caribbean is combining the best of both worlds:

Active sailing on a Formula 1 Racer in the beautiful setting of the Caribbean.

The TP52 is an exciting class of yacht that races grand prix circuit style without handicap, attracting substantial spectator and media attention. TP52s are flat-out racing platforms; fully crewed, high performance monohulls capable of racing in both buoy regattas and offshore races.

These high performance monohulls are designed to race in both offshore races and buoy regattas and have reached race speeds of up to 32 knots.

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
