## **Description**

Unique opportunity!

### **Aragon for charter for Caribbean RORC600**

Winner of RORC transatlantic

The Reichel Pugh 72, ARAGON was commissioned by a performance-oriented owner with a remarkable family history of racing lineage. Designed first and foremost to be an outstanding performer in Mediterranean conditions, ARAGON is constructed from Carbon Fibre and Nomex. This ensures lightweight characteristics and complements a hull shape that contributes to a swift and agile, yet comfortable and robust ride.

In construction, the most advanced concepts of carbon fibre materials were used, resulting in a hull, deck and structure that meets the high standard that all racing yachts from the drawing board of Reichel Pugh are renowned for.

Yachting Developments completed ARAGON in February 2006, and the boat was then shipped to Europe where it joined the summer race circuit in the same year.

## Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
