Location: Spain

Engine: Yanmar

Description

Mills Design and DK Yachts teamed up in 2002 to produce a production IRC design which delivered new levels of performance and comfort. Marketed by Boat Sales International, the DK46 brought together three design criteria to achieve the highest performance IRC cruiser/racer: a hull and foils optimised for racing; a specification which will provide a competitive IRC rating; and a spacious and comfortable interior. The result was a genuinely dual-purpose yacht.

46? IRC Cruiser/Racer has brought performance and comfort together by winning on 6 continents.

This DK46 Maserati is in very good conditions and ready to race and win!

She won 2009 & 2016, 2018 & 2019 COPA DEL REY in Mallorca and is ready for a new season of success.

Owner: Boat is really good both inshore and offshore.

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
