More about the Sydney 43 GTS.....

Fast, easy to handle, stable and spacious, the Sydney GTS43 serves as a comfortable cruiser, short- handed family weekender and competitive IRC racer.

The Sydney GTS43 seamlessly combines a performance orientated yacht with spacious cruising comforts, offering universal appeal to racers, couples and families alike.

Disclaimer

A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

Built to satisfy the demands of today's discerning sailors, the Sydney GTS43 presents a marriage between impressive design and construction techniques to deliver a yacht that is light yet strong, easy to sail yet seriously fast, stylish yet functional, and above all else, seaworthy.

Capable of competitive racing at both club and regatta level, this 43-footer can also be easily managed when racing short-handed or when cruising. With its non-overlapping headsail for ease of tacking and an asymmetrical spinnaker, the Sydney GTS43 can be sailed to its full potential without the need for a large and experienced crew. Its low vertical centre of gravity coupled with its generous sail area to displacement provides exceptional stability, thereby rewarding its owner with superior handling and performance.

With accommodation for up to six guests, the Sydney GTS43 has a surprising amount of room. Above deck, the large open transom cockpit provides ease of movement and comfort whether racing, cruising or entertaining, while below deck its roomy interior is contemporary by design and easy to maintain. Large coach house windows provide an abundance of natural light and a greater feeling of size.

Designed to exceed your expectations in terms of performance, ease of handling, safety and comfort, the Sydney GTS43 establishes a new benchmark for yachts of this size in the world.

Ker Yacht Design on the Sydney 43 GTS...

Fast, easy to handle, stable and spacious, the Sydney GTS43 serves as a comfortable cruiser, short-handed family weekender and competitive IRC racer. Our design for the GTS 43 delivers a yacht that is light yet strong, easy to sail yet seriously fast, stylish yet functional, and above all else, seaworthy.

Capable of competitive racing at both club and regatta level, this 43-footer can also be easily managed when racing short-handed or when cruising. With its non-overlapping headsail for ease of tacking and an asymmetrical spinnaker, the Sydney GTS43 can be sailed to its full potential without the need for a large and experienced crew.

Its low vertical centre of gravity coupled with its generous sail area to displacement provides great handling and performance.

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
