<b>Year</b> : 2007	Material: Fiberglass / Composite
Location: Netherlands	Engine: Volvo Penta SD

#### Disclaimer

#### **Description**

The J/100 is the perfect day-sailer, beautiful, manageable and very easy to sail shorthanded, of course, if you are keen to go an extra mile or two she'll rise to the challenge; just ask the guys who did the 2225 mile double handed transpac race between San Francisco and Hawaii!

This is a classic J/100 with a flag blue hull and teak decks. She also has removeable stanchions and guardwires so that she can be raced with them in place to comply with the racing rules, or cruised without them, so as not to interrupt her.

- Painted topsides Awlgrip Flag Blue
- · Bootstripe red

More info of J/110 from the Shipyard click here

# **Viewing Arrangements**

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
