Description

America's Cup Team France - Designed by Briand and built by Jeanneau
Number of crew 5

- Two identical vessels available. Asking price mentioned is per boat.

Comments by owner:

Unique in the world: Class America on a scale of 1/2. Designed by Philippe Briand for Team France, they served as a testing laboratory for the development of the FRA 33 and FRA 37 boats, skippered by Marc Pajot at the Louis Vuitton Cup 1995 in San Diego / USA.

These sailboats of 3Tonnes (including 2Tonnes in the bulb!) are fast and elegant and the ideal support for team building operations, a yacht club or simply to have fun on the water.

They have been taken over and renovated by their new owner from 2005.

- Condition is very good. The boats are ready to sail and do not need investment
- the boats were painted in 2013 and always drysailed after sailing. The paint jobs are therefore in excellent
- mast, boom and rigging are in very good condition

Rigging

- Marlow Ropes + spare
- Alu mast and boom
- Mast height 13m

Sails

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
