Description

owners comments:

2003 model Sinergia 40. Last one build. Boat has actually been used only a few times between 2003 - 2012 and been ashore all the time. I bought it in 2012 and did ORC keel optimizing. Boat has little use for its age.

Rigging

- Hall Spars carbon mast in very good condition with hydraulic mast jack.
- Antal mast track with luffrope on racingsail and antal track sliders on cruising sail for transport/cruising. New sliders / head 2018.

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
