Description

Melges 32 hull number 234 built in 2012, but begin racing in 2013

This was the former Synergy Rus 13 (or one year MON13) that was professionally maintained by Quantum Sails international team.

The boat was only dry sailed, and got out of the water after each regatta.

Current owner bought her in 2018, and is the second owner

The boat stopped doing the circuit in 2016, so it was raced only for 4 year and not for every event of the season. Normally there are 5 events a year of 5 days

Owners comments:

Boat is really competitive; we did really good results in national regattas. No expenses have been spared since the beginning. This Melges is known as the one with the fastest bottom and being really fast in light air. The boat is in Immaculate condition, we will now change the deck for a new brushed grey seadeck. Engine was always serviced and is as new

Rigging

- Carbon mast southern spars with mast jack
- Pbo sidestay

Sails

- 3 complete sets for upwind from Quantum 2014, 2015 and 2016
- 2016 only used at the words and practically new.
- 1 mainsail minisquaretop (but smaller size) for ORC - IRC One Sails
- 1 light jib One Sails
- 1 medium jib One Sails
- 1 A0 cableless One Sails
- 2 sets of Quantum downwind sail; A1,5 and A2 from 2015 and 2016
