### **Description**

Seacart 26 Trimaran built by Ocean Lake Marine Sweden

Construction: epoxy/PVC foam sandwich with carbon reinforcements

#### **Owners comment**

This 26 foot trimaran is a fantastic day sailer and racer, easily sailing single handed or with a short crew of 2 to 4. It's been refitted in 2019 (waterstays, carbon mast, boom and bowsprit, Dyneema standing rigg, lazy jack, gelcoat polishing) and performs stunningly well in most wind conditions. It's located in Vannes, Morbihan France.

## Rigging

- Mast Maerstrom carbon
- boom Maerstrom carbon
- · bowsprit carbon
- Standing rigg is new from 2019 (Dyneema)
- · swivel hooks and other furlers Karver.
- lazy jack

#### **Sails**

## **Viewing Arrangements**

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
