Description

The high-tech carbon racer for maximum performance

This racing yacht is the perfect daysailer! It has space for a sailing crew of 4-6 persons with a maximum crew weight of 400 Kgs. All CODE8 are built with excellent precision and outstanding durability in order to deliver maximum performance and safety.

Pauger Carbon is mast and boat builder of the new Code 8 carbon racer. The Carbon 8m long full carbon day-sailer/racer boat was designed by Andrej Justin (designer of RC44) and built in Pauger carbon/epoxy/sandwich hull and deck with carbon/epoxy Pauger mast, boom, bow-sprit.

Palmares

Code 8 was extremely successful by winning the TBS Solo Race round Lake Balaton and the Keszthely – Kenese solo race both in 2011 and 2012 as well. Code 8 No. 2 was finished in 2012 with special improvements including an innovative solution of combined keel and mast canting system.

Mentioned price is ex yard, ex options and ex VAT

CE - Certificate cat. A: not default, also available / B – 4 / C-6 / D-6

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
