Description

Fareast 31 GRP version

Designer: Simonis Voogd

ABOUT FAREAST 31

FAREAST 31R combines many bold innovations such as a cutting-edge hull, innovative bow design, and consummate technology, ensuring its high performance in the range of racing keelboats.

FAREAST 31R adopted an all GRP structure deck and hull, maintaining a light and maneuverable hull with high speed. The 1200 kg lead ballast provides it an astonishing 60% ballast ratio. The unique hidden rigging design and one-step spinnaker hoisting system improve the manipulation of the FAREAST 31R. The consummate manufacturing technology of Far East, equipped with Selden's carbon mast and double backstay system, ensure the good quality and high performance of the FAREAST 31R.

FAREAST31 IN ACTION!

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
