Description

TOLENZE, formerly "SILVER MACHINE", is one of the four designed by Judel & Vrolijk, the legendary Admirals Cup, which was produced between 1989 and 1990 on the KNIERIM shipyard were built entirely from carbon Nomex sandwich. The 3 Sister ships have the same legendary names in sailing circles: PINTA, CONTAINER and SAUDADE and are probably the most elegant (and also most expensive) Yachts ever built in the one-ton class. The new price of a Racers from this series amounted to over 1.4 million DM in 1990.

From 1991 to 2000, TOLENZE competed in a few races as part of the Admiral Cup. Between 2005 and 2013 TOLENZE was mostly on Land, first in Rostock and then for overhaul in Hamburg. This is how the explain the excellent general condition of the entire construction.

From 2010 to 2014 TOLENZE was at a shipyard in Hamburg-Harburg to be completely overhauled.

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
