This vessel is offered subject to prior sale, price change, or withdrawal without notice.

Description

Canting keel Open 30 in good condition.

Owner mainly used her for fun fast sailing and a few clubregatta's.
She has been stored inside since 2016.

Owners comments:

We set up the boat for only day racing now, but the amount of space compared to the Mini 6.50 has much more possibilities. Bunks can be made in the aft part, middle section as nav station and kitchen and front section for storage and sails for example.

Regarding performance of the yacht she is a boat with an electrical canting system that is super easy to operate and a new developed main to perform better upwind.

NUMBERS:

TWA	30 deg	TWS	8-10 knots	Boatspeed	7 knots
TWA	140 deg	TWS	15-20 knots	Boatspeed	10-16 knots

With the new main the rating is more optimized and has better performance upwind, especially with more breeze. Boat is more in balanced so the boatspeed is more consistent.

Downwind we have a bigger gennaker than the old one so the boat can easily plane. With the extended (retractable) bowsprit we can move the gennaker 3 meters from the forestay, so the gennaker has always space for power. You even can think of a staysail for better performance.

Also with the new extended rudders you will have always control of the boat in any breeze. The balance with the sailplan and appendage configuration is much approved.

Rigging

Bermudian sloop

- Retractable gennakerpole ca. 2 m long carbon with iron core.
- Dyneema lines
- Selden carbon mast with 2 double spreaders (total length 13,747 mm)-2008
- Boom Selden carbon-2008
- Pbo rigging Powerlite -2008

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
