Simonis Voogd Design

The FAREAST 28R is a racing sailboat by Simonis & Voogd that delivers the excitement of One-Design (OD) racing under 30?. The FAREAST 28R is constructed using a polyester/foam-core sandwich which is vacuum infused. FAREAST 28R has only top of the range deck gear (by Harken & Spinlock) and spars (by Selden) for top level racing.

ISAF approved One Design Class:

The Fareast 28R is an ISAF approved One-Design class and numbers are growing fast, over 450 boats have been sold. We are building a class in Australia and New Zealand, Nationals are held every year and you will always find other 28's to race against at major events.

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
