Description

The one-off Corby 38 has enjoyed a highly successful racing career in both IRC and ORC, fully crewed as well as doublehanded. She was reoptimized with a new keel and reshaped aft hull in 2008, and underwent a comprehensive refit in 2014. She was further extensively upgraded and optimized in 2017-2018 for shorthanded racing, including a complete new B&G H5000 suite and under deck autopilot drive, new sails, upgraded and relocated batteries, and modified deck gear and layout. Additionally, the hull was patched and polished, followed by a high quality vinyl wrap (3M Cosmic Blue).

She is truly a joy to sail and a classic Corby.

Built in 2000 by Vision Yachts.

Shape tweaked in 2008 by Corby Yachts plus new keel. ORC & IRC success under German ownership including Middle Sea Race.

Originally commissioned for Colm Barrington as *Gloves Off*, it is one of few yachts to achieve the 'trifecta' of overall class wins at Cowes Week, Cork Week, Scottish Week.

Following the 2014 refit, *Rockall IV* added a class win at Kiel Week, before winning their IRC and ORC classes in the 2015 Rolex
