A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

Description

The Cape 31 is an affordable high performance 31 foot race boat.

31FT ASYMMETRIC POCKET ROCKET THAT PACKS INTO A 40FT CONTAINER AND GOES ON A TRAILER

The boat was masterminded by Lord Irvine Laidlaw, designed by Mark Mills and is built by licensed boat builder Cape Performance Sailing Ltd. Teams usually sail 7 up on this latest generation race boat. The class rule prefers owner driver (always amateur) and a mixed crew of amateurs and professionals.

The key to this boat's success is that it has proven itself as not only a great one design boat, but also as a very competitive boat under multiple handicap systems. The boat has had some impressive results over the last few years in a host of UK and European IRC events, Caribbean CSA events and US ORR/ORC events. Another great feature of the Cape 31 is that she (along with her 2 piece mast) fits into a 40ft container! Handy when you decide you'd like to join in with winter sailing in warmer waters.

The basic Cape 31 come with essentially everything needed to go sailing except sails, electronics, covers, safety & cradles/trailer.

TOP RESULTS

- 2022 & 2023 IRC2 National Champions
- ORCB Rolex Big Boat Champion 2023

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
