Owners comments:

Amongst the first production yachts of its kind, the X-Treme 37 is an extraordinary performer designed by the award-winning **Yacht Designers Reichel/Pugh** and built using technology previously only used for one-off custom yachts.

?This ground breaking methodology results in a powerful,super-fast, one design race yacht, with uncompromising up and downwind capabilities. ?The yacht is designed for maximum thrills and excitement while remaining simple to sail, in both inshore and ocean racing events. Full carbon, including interior and spars, the X-Treme 37 is at the cutting edge of performance racing!

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
