Buyers are encouraged to conduct their own inspections and surveys to verify the information before purchase. The vessel is offered subject to prior sale, price change, or withdrawal from the market without notice. No warranties, express or implied, are made regarding the vessel's condition.

## Description

### **CARKEEK 47 GRAND PRIX CUSTOM (2014) – FOR SALE**

For those seeking peak performance in offshore racing, this exceptional **Carkeek 47** is designed for yacht racing. Built in 2014 by Premier Composite Technologies, this yacht features a 5th Generation TP52 deck layout, cutting-edge electronics, and an optimized keel and bulb configuration for maximum speed and agility.

With full carbon construction, EC6 carbon rigging, and a comprehensive sail inventory, this yacht is fully equipped for serious racing campaigns. The boat has been meticulously maintained, with continuous upgrades and servicing through 2023–2025, including a new set of Quantum sails, new standing rigging, and a full engine service in 2024.

This is a rare opportunity to own a race-ready performance yacht that delivers top-tier results on the racecourse.

Owners comments:

This Carkeek 47 Grand Prix will be available to a new owner after the Aegean 600 in early July 2025. Originally set up for offshore racing by its first owner in Australia, this high-performance yacht has been fine-tuned for 600-mile offshore races such as the Sydney-Hobart, Middle Sea Race, and Aegean 600, achieving top results in both IRC and ORC handicap systems.

As the 2025 racing season begins in March, the boat will be competing in local inshore and offshore races in Greece. Interested buyers are welcome to arrange a viewing during this period.

For more details or to arrange a viewing, contact us today!

## General

- Designer: Carkeek Design Partners
- Builder: Premier Composite Technologies
- ISO Structural: Cat A
- ISAF OS: Cat 1

### **Keel, Fin & Bulb**

- CFD optimized fin and bulb configuration and shapes
- Keel design and structural attachment is in accordance to ISO structural regulations to Class A with plan approval by Germanischer Lloyd
- CNC milled high strength SG Iron Grade 80-55-06 (ASTM A536-84) cast keel
- CNC milled lead T-bulb
- S.S. bolts, backing plates, washers and nuts
- Pocket for trim and weight adjustment

### **Steering System**

## HARKEN MX Pedestals

- 2 x Carbon fiber pedestal tube description as per drawing 42050 with flange (PEDxxxByyyCzz)
- 2 x Pedestal upper mechanics for MX dual chain pedestal (A94771000)
- 2 x Pedestal lower sprocket for MX2.8 dual chain pedestal Z13 Z35 (A94835600)
- 1 x Pedestal lower group 1dsc output Ø30 (A94899000)
- 1 x Pedestal lower assy 1 output Ø30 (A94899100)
- 2 x Chain 1/2" 1/8" Z=178 (S484040008)
- 2 x Chain 1/2" 1/8" Z=188 (S484030008)
- 4 x Aluminium pedestal double handle (F84265000)

## Bevel Boxes & T Boxes

- 3 x Bevel Gear Box - LH (F86512300)
- 1 x Tbox 605 (F83950800)
- 1 x Gbox L&T 606 disconnect predisposition (F86512300)
- 1 x Xbox 606 direct disconnect predisposition (F86512200)
- 3 x Kit front disconnect gbox 606 (Ø25) fork RH (A96511300)
- 1 x Kit Lbox 606 (Ø25) fork RH 1 disconnect (A96514500)
- 1 x String Drop Hub (F86556200 )

## Foot Buttons – String disconnects

- 5 x Ball remote button

## Shafts

- 9.4m x Carbon drive shaft

## Underdeck Systems

- Vang purchase system led aft under-deck to control box
- Outhaul led aft under-deck to control box
- Main cunningham led aft under-deck to control box
- Mainsheet led forward under-deck to main winches
- Main traveler led forward under-deck to control box
- Spinnaker tack line led aft under-deck to pit winch
- Spinnaker sheets led forward under-deck to primary winches
- Halyards led aft under-deck to pit winch

## Other Hardware

- 11 x Spinlock rope clutches for Halyards, spinnaker sheets and fore guys
- Custom organizer
- Spinnaker string drop system

## **Engine**

- Fuel Cap.: 72.6 lt. in 2 x 36.3L (19.18 gall.) rigid plastic fuel tanks
- 40hp Volvo desel engine
- Retractable Propulsion Solution (stainless steel shaft with aluminum & bronze propeller)
- Spinlock flush throttle control
- Carbon fiber exhaust to transom
- Teleflex throttle control mechanism

## **Safety**

- 1 x Radar Reflector
- 1 x Whistle
- 12 x Life Jackets+ Crotch Straps
- 1 x Lifebouy with self-igniting light
- 4 x Red Parachute Flares
- 4 x Red Hand Flares
- 2 x Orange bouyant smoke flares
- 2 x CO2 2kg Fire Extingusher
- 1 x Manual Bilge Pumps
- 2 x Bucket + Lanyard 9lt
- 2 x Anchor with Rope or Chain
- 2 x Cockpit Knife
- 1 x Inflatable Liferaft Plastimo Transocean

## **Electronics and Navigational Gear**

- 1 x H3000 CPU Hercules Performance (2024 / A&T Tested)
- 1 x H3000 CPU USB Cable
- 2 x H3000 GFD Pack
- 4 x H3000 20/20 HV Display Pack
- 1 x B&G Ploter
- 1 x SIMRAD MX610 Navigation System / GPS
- 1 x NAIS – 400
- 1 x Garmin Display
- 1 x B&G 10/10HV Display
- 1 x H3000 Depth Sensor (Flanged)
- 2 x AirMar High-Performance Speed/Temprature Sensor ST950 (installed 2024)
- 1 x A&T Vertical Masthead unit 500 series (installed 2022)

## Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
