## **Description**

### **Palmares:**

First place regata Cro. 2008., 2009.

Leading the Croatian ORClist.

### **From the brochure:**

*Launched in the wake of the success of the 51S, the Comet 45 S reflects same general design principles and style. The hull was designed specifically with the idea of improving performance. The bow and stern are both vertical to increase the waterline length. The bow sections are very slender. The craft's high freeboards mean that the deckhouse could be kept low and compact. It also boasts characteristic "loop hole" windows. A medium to light displacement translates in to excellent performance with a full cruising load. The deck offers wide gangways and a very large cockpit that extends all the way to the open transom. The interior layout is quite particular: the central position of the head allows for great freedom in organising the saloon without interfering in any way with the clean exterior lines.*

## Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
